

Part-Time Graphic Designer

Love to write and can draft compelling written content quickly and concisely? Have experience with creating visual concepts and marketing materials to communicate stories that inspire? Then you might be the right fit for our team.

Responsibilities

- Design and layout of electronic and print materials for Speroway's food, education, and health programs (newsletters, flyers, posters, banners, logos, invitations, etc.)
- Design web projects from concept to completion while adhering to brand standards
- Maintaining and enhancing websites by adding and improving interactive features
- Writing blog content, web features, and marketing materials

If interested, please email your resume and cover letter to info@speroway.com.
