

Dear Friends and Donors,

On behalf of the Board of Directors, I'm proud to report that 2017 was another busy and successful year for Speroway, filled with compelling stories of service, relief and support in Canada and around the world.

From healthcare, education and feeding programs in far way places like Haiti, Central America and Malawi to support for marginalized communities in our own backyard here in Canada, Speroway is committed to serving those in need wherever they may be.

Gifts in Kind (GIK), a major Speroway program through which we distribute donated food and other products across the country and the globe, has grown in leaps and bounds. In 2017, we distributed over \$11 million worth of goods around the world to families and communities desperately in need. That's nearly a 50% increase over 2016!

Speroway plans and projects continue to grow but no more so than the need - so we'll keep working to make a difference wherever we can. In 2017, among other milestones, we provided more than 4.5 million meals around the world! Thank you for your ongoing support of our important work - it means such a great deal.

Sincerely,

Timothy J. Fallis
